Are you aware that the words you speak can influence your life for good or for bad, positively or negatively? Instead of enjoying the blessings of God, are you languishing in negativity and unfulfilled promises? This book explores the impact that the spoken word has on your life. Through the use of biblical examples and the application of the Word of God, you will be able to determine for yourself the importance of right speaking and how to break negative patterns of speech in order to successfully deal with life's challenges.

I am afraid!

I can do all things through Christ.

I am a failure.

I will succeed.

God is my help.

Pamela is available for book signings, speaking engagements, and workshops.
